Armory Meet

Tomorrow evening the Hamilton-Rochester Intercollegiate Indoor Field and Track Meet will be held at the State Armory in Utica. This carnival will be under the auspices of Co. A of the 28th Separate Company, in conjunction with the Utica Y. M. C. A., the latter being under the direction of Charles M. Morey. The interesting program for the evening includes ten events and five relay races, as well as a Junior Y. M. C. A. Meet.

These games will be unique for Utica, as it is the first one of its kind that has been held in the city for ten years. The Armory floor affords a track that is twenty laps to the mile and while not over large, yet it is very well adapted for Indoor games. Accomodations have been made for a seating capacity of 1200 or more and to guarantee any kind of success, every Hamilton man should be on hand to give the team the loyal support it deserves.

The order of events and entries follow:

30-yard Dash: (H), Knox, Judson, Colson. (R), Song, MacDonald.

30-yard Hurdle: (H), Getman,'10, Knox, Colson. (R), Robinson, Song.

100-yard Dash: (H), Colson, Shaul, Roberts. (R), Song, MacDonald.

300-yard Dash: (H), Knox, Colson, Shaul, Roberts. (R), MacDonald, Doyle, Ball.

1-mile Relay: (H), Knox, Colson, Shaul, Roberts. (R), MacDonald, Doyle, Ball, Boiss.

1-mile Run: (H), Abbott, Getman, Renwick. (R), Smith, Boiss.

Half-mile Run: (H), Knox, Gaige. (R), Smith, Boiss, Rugg.

Shot Put: (H), Baldwin, Williams, Jessup. (R), MacDonald, Gucker.

Pole Vault: (H), Donaldson, Day. (R), Robinson, Song, MacDonald.

High Jump: (H), Wheeler, Colson, Allen, True. (R), Robinson, MacDonald, Gucker.

The officials will be: Referee: H. J. Cookinham (Hamilton). Starter: A. J. Foley, (Hobart). Clerk of Course: W. Hemenway (Rome Y. M. C. A.). Timers: Dr. Stroud (Rochester); Prof. A. H. Shearer, (Hamilton); J. T. Crossley, (Hamilton); E. H. Jones, (Hamilton).

Track Judges: John Gomph, (Utica); Prof. C. L. Lewis, (Hamilton); J. C. Hayes, (Rochester.

Field Judges: Prof. H. B. Ward, (Hamilton); E. P. Glover, (Hamilton); Prof. W. M. Corruth, (Hamilton).

Scorer: Miller Cross, (Hamilton). Assistant Scorers: B. Barber, (Hamilton); S. W. Jones, (Hamilton).

Inspectors: Prof. A. P. Saunders, (Hamilton); Dr. Carl Clapp, (Utica); D. R. Sidle, (Hamilton); R. B. Mitchell, (Hamilton); Prof. J. R. Thompson, (U. F. A.); Mr. Lovett, (Utica).

Announcer: J. C. Cody, (Hamilton).

Assistant Clerks of Course: D. E. Stone, (Hamilton); T. C. Jessup, (Hamilton); J. H. Hahn, (Hamilton); R. T. Clapp, (Hamilton).

For Rochester the star is MacDonald, '13, and, as will be noticed, he is entered in nearly every event. MacDonald was last year's Captain of the West Rochester High School and in the recent Indoor Interclass Meet at Rochester, he captured 26 out of the 40 odd points, won by his Class.

In our own squad, Abbott has been doing good work in the mile; Colson is in excellent form. The Relay Team, which is one of the best in years, is expected to run one of the best races of the evening.

In addition to the Hamilton-Rochester Meet the Y. M. C. A. and Prep. School Teams will compete in regular Track events. A Relay Race will be run between U. F. A. and Colgate Academy; Utica Prep. and Ilion High School.

This Track Meet has been widely advertised in several of the local and Rochester papers and much credit is due Mr. A. J. Foley of the Armory, who has done everything in his power to make it a success.

—At a meeting of the Freshman Class held Wednesday in the Chapel it was voted to impose a tax of one dollar upon each member of the class for the purpose of purchasing suits for the Baseball Team.

Gym Show

The final arrangements are being made by "Uncle John" for the Gym. Show to be held under his direction, on March 21st. The program will begin at 7:30 with races for records held on the Gymasium Track, under the direction of Track Captain, Knox, '10. The officials for these races will be: Referee, Drummond, '02; Clerk, Barber, '10; Announcer, Baldwin, '10; Judges, Knox, '10, Martin,'11; Timers, Dounce, Engs, Glover, '10. At 8 a. m., the Gym. "Uncle John" urges anyone who desires to take part to let him know at once and to come out for the next practice. He calls special attention to the work of Drummond, '12, on the Spring Board and also that of Alvord, '12, in the High Dive. He adds that under favorable circumstances, Alvord should make a new record in this act which should stand for a long time. In conclusion he says: "This will be the best show ever put on in this Gymnasium, for we have better athletes here in College today than we have had since I have been here.

COLLEGE SMOKER.

The College Smoker held in Commons Hall last Thureday evening, was a typical Hamilton gathering, an evening of fellowship and jollification. The Y. M. C. A. is to be congratulated on its successful promotion of these affairs from which the whole College gains inspiration and enthusiasim.

About eight o'clock, practically the entire student-body assembled in Commons. After the refreshments were consumed the College joined in singing old classics as "She Wore it for Her Lover" and "The Old Gray Cow." Then the Glee Club was called upon and sang "Little Tommy" and the "1910 Tutti-Frutti."

At the yell, "We want Prex," Dr. Stryker responded with a brief talk on College life. He said that a man got most out of College, who played best, besides working faithfully. He urged the fellows to learn to know each other better because friendships are the finest part of College to remember.

Prof. Aron, ex-'09, the next speaker, congratulated the Y. M. C. A. on its management of gatherings such as smokers, and spoke of their importance in College life. Prof. Shearer eloquently portrayed some of the evils which may arise from too keen preparation in debating analogous to present athletic evils. In a characteristic speech, Prof. Ward provoked continued laughter.

The ostensible purpose of the smoker, to give the Relay Team a send-off on its trip to the Columbia games, was served by a yell for every member of the Team. With the sining of Carissima, the program was ended. It emphasized the fact that the more of these gatherings on the Hill, the better for Hamilton and for every man in College.

WITH THIS ISSUE the regime of the present Board passes, and LIFE goes into the hands of a new staff. In recognition of that fact we must make our traditional farewell to the College before casting aside the editorial pen. During the past year we have published the paper with one idea in mind, that of working for Hamilton and all that pertains to her welfare. Of course we have made mistakes, and the consequences of these we take on our own shoulders. All the good that we have wrought—if perchance we are fortunate enough to have been credited with such—we hope Hamilton will profit by. We bespeak a few kind thoughts for anything that has been accomplished which has proved worth while, and for our mistakes and errors we ask repreive upon the consideration that our intentions were of the best. There is always the consolation that the new can profit by the old, and this we hope the Board which is now placed at the helm of LIFE will do.

But before we pass from these columns there is a word which we would bring to the College, just as a *vale*, as it were. Our constant motto during the past year has been a larger Hamilton. This in our humble way we have striven to foster. This we would leave with you as our last word. For a larger Hamilton every man should exert his strongest and best efforts. Toward a larger Hamilton, as an ultimate goal, all our activities should tend. That should be our constant aim and purpose.

With that we place the cover on the editorial typewriter, instead of laying aside the proverbial blue pencil, and with the best wishes for the success of the new Board and the best interests of Carissima we pass out of the door of LIFE'S editorial office.

ON WEDNESDAY EVENING of this week, the Track Team will make its initial appearance of the season at the State Armory in Utica. At this time it will meet Rochester in a dual meet, the program of which can be found in another column of this issue. The team's entire winter practice has been practically in preparation for this event, and on a basis of showing made in practice it should make good and bring a victory to Hamilton as a manifestation of that effort. At least we may be sure that every event will be closely contested. However, as in all matters in which the representatives of the College are competing, the hearty and entire support of the student-body is essential, if we are to do all that is possible to win the meet. It does seem rather unnecessary to urge attendance at an athletic event in which a Hamilton team is competing, but it has proved so in the past, and, hence, this gentle reminder. The fact that the meet is to be held in Utica is no reason why the entire College should not be there to give the team true Hamilton support. Perhaps this little foreword is entirely unnecessary and if so let it be forgotten, but if, perchance, there are any who were thinking of remaining on the Hill on the night of the meet, let it be a sort of a prod to stur that man's conscience to action.

A SUB-FRESHMAN BUREAU was proposed in the last issue of LIFE. The scheme, as outlined, must be familiar to the College. As was stated, the one thing that is necessary is the hearty co-operation of every crowd on the Hill. Without this the success of the scheme is impossible. And, we venture to say, that such co-operation will not be forthcoming without some slight modifications in the plan of action. That is to say, that with the plans that are now proposed we do not think that every crowd will enter the agreement. We hestitate to tell whether the attitude, which in our opinion will be adopted by them, is rightfully taken or not, but the fact remains that it will prevent an unqualified success of the new plan, and hence a failure in its purpose. We do not feel that every crowd will go into the movement if it is obliged to thereby agree to give up the name of every man which it may have on their Sub-Freshmen list, and for this simple reason. Almost every crowd has some one locality or perhaps more where it has strong alumni and perhaps undergraduate influence, from which it must necessarily draw some of its best men. Naturally, it will not be inclined to allow invaders in this territory. Now we grant that such an attitude is selfish, but it is also human. That we feel will prevent the successful working out of the plan proposed. In general the Press Association suggestion is good, and it is one that will work for larger classes. With a slight modification the scheme would undoubtedly have the support of every crowd. And the modification we propose is this: Give each crowd the priviledge of withholding any name that it cares to. That can make no difference to the success of the plan, for if anyone can insure the entrance of a man in college it is the crowd that really wants him. It will exert every effort to bring the man to Hamilton. We offer this suggestion, and submit it to the consideration of the College and the Press Association.

1911 HAMILTONIAN

The 1911 Hamiltonian is now well under way. The editor is going about with a hunted look on his care-worn countenance, meetings are being held weekly and attended by some of the Board, and George William Browning haunts the Hill with wild, despairing cries for copy. These be

it known are the annually recurring signs of spring and forecast an eclipse of all previous Hamiltonians.

The forthcoming volume will not lay claim to any distinctive merit of its own. It will contain an account of all that has happened worthy of note during the past year, together with pictorial representations of the more important personages and events. With the present product as a criterion, it is certain that the art department will be out of sight. Contributions of pictures are solicited from the entire College. It is the aim of the Board to have as many pictures as possible, that is pictures which will illustrate our life on the Hill. Departures have been made from the beaten path of custom-staled and age-withered pictures in every case where this was possible, and the forthcoming volume will be remarkable for the number and quality of new illustrations if for nothing else.

As for the rest, several new departures have been instituted which it is hoped will make for a better book. The dedication has been made and will no doubt be thought especially appropriate. Typographically the book will leave nothing to be desired, as George William Browning has placed all the resources of his shop at the command of the Board. Altogether the work promises well, and though any notice of its various features must of necessity be fragmentary at present, it is assured the 1911 volume will by no means fall short of the high standards established by previous issues.

With the continued good humor of the said George William, and with a capacity for hard labor infused into the Board, the book will make its appearance about the first of June. At present the editor is expecting "dinq." notices which is the way it always happens.

1911 AND 1912 WIN.

The second of the series of Basketball games held under the direction of the Department of Intramural Sports in the Gymnasium Friday evening resulted in a victory for the Sophomores over the Seniors by a score of 26 to 6, while the Juniors easily defeated the Freshmen, 27 to 9. Both games were spirited, although the scores indicate rather listless contests. The attendance was large, and the enthusiasm manifested on the part of both the players and the spectators, indicates that the success of Interclass Basketball is not quiet so doubtful.

The Underclassmen started the Senior-Sophomore game with a rush, Regin and C. Root scoring several baskets in quick succession. The Seniors seemed unable to cover their men, and this fact coupled with clever passing and dodging on the part of the Sophomores soon resulted in a large lead for the Seniors. Abbott displayed excellent floor work.

The Junior victory over the Freshmen came largely as the result of the clever work of Getman and Allen, both of whom played phemonenal all around games. The Freshmen started both halves with a rush but seemed to loose their wind quickly, as well as their ability to cover. Woods scored several difficult shots for 1913, while Stone played a fast game at guard. The feature of the contest was undoubtedly Getman's dribbling.

The summaries of the two games follow:

Seniors		Sophomores.
Wheeler		C. Root
	Right Forward.	
Judson (Deimel)		Regin
	Left Forward.	
Baldwin (Fiske)		D. Root
	Center	
Fiske (Baldwin)		Peters
	Right Guard.	
Abbott		Knox
	Left Guard.	

Goals: C. Root, 6; Regin, 5; Knox, Peters, Wheeler, 2; Goals from fouls, Demiel, 2. Referee, Sidle, '11; Timekeeper, Gouge, '11. Time of halves 15 minutes.

Juniors		Freshmen
Allen		Griswold (Lewis)
	Right Forward.	
Day		Mahady
	Left Forward.	
Flagler		Woods
	Center	
Sidle		Stone
	Right Guard.	
A. Getman		Wheelock
	Left Guard.	

Goals: Allen, 4; Getman, 3; Flagler, 3; Sidle, 2; Day, Woods, Mahady, 3. Goals from fouls: Allen, 1; Woods, 1. Referee, Knox, '12. Timekeeper, Drummond, '12. Time of halves 15 minutes.

Next Friday evening the Seniors will meet the Freshmen while the Juniors will play the Sophomores. The previous scores of these teams indicate two exceedingly fast contests.

Y. M. C. A.

Last Friday evening, in Silliman Hall, was held the annual Y. M. C. A. meeting for Cabinet report of the year's work and for election of officers. As head of the Bible Study Department, McNair, '10, reported that a canvass of the College had been made early in Fall Term and that at present there are sixty men enrolled under the new group system. Of these about fifty per cent have been in regular weekly attendance upon the informal meetings held in different dormitory rooms. Abundant credit is due to Judson and Stube, '10, Colson and Wisehart, '11, and Clark, '12, who have proved zealous and capable group leaders.

Renwick, '10, Chairman of the Social Service Committee, told of the educative work carried on among the Utica Italians. Last Fall, after what seemed an auspicious beginning, the mission work was interrupted through the institution of a similar school by an Italian Protestant minister. In February, however, through the efforts of Mr. Jordan of the Utica Y. M. C. A. Renwick has been enabled to organize classes among the Italians, Poles and Greeks, which are being attended by increasing numbers. He asked that every man in College who is interested in this work and willing to help it along, inform the Committee to that effect.

Cross, '10, Chairman of the membership Committee, reported a splendid early plan of campaign for enlarging the Association numercially, but expressed regret that more men had not been enrolled.

Hemenway, '10, gave the report of the Music Committee, saying that special music had been supplied for all the regular Association meetings.

For the Social Committee Chairman Engs, '10, mentioned the successful receptions given to the Sub-Freshmen and to the Freshmen, and the College smokers which have recently proved so popular. He urged that more such smokers be held during the ensuing year under Y. M. C. A auspices.

Barber, '10, Chairman of the Systematic Giving Committee, said that by the systematic giving plan collections are made only with great difficulty, and suggested that hereafter funds for the mission of Mr. Bates, '95, in New York and for sending delegates to Northfield be either raised directly by subscription or securred through increased membership and the added membership fees.

Colson, '11, as head of the Finance Committee, reported all bills paid and a balance of $90 in the treasury.

The following officers were elected: President, Ralph B. Colson, '11; Vice-President, Clarence B. Day, '11; Treasurer, Glenn R. Bedenkapp, '12; Secretary, Theodore Corliss, '13. The new staff will begin active work with the opening of spring term.

MITCHELL, '11, EDITOR.

At a meeting of the Life Board held Saturday afternoon, Robert B. Mitchell, '11, was elected Editor-in-Chief for the coming year. Mitchell was elected to the Board at the beginning of his Sophomore year, and has been a steady and consistent assistant since that time, showing able literary ability.

A new plan for conducting the managerial side of the publication was adopted. In past years the Manager has been elected from the Board to which he had been chosen on a basis of literary ability. This was obviously an unreasonable arrangement. To remedy this condition, it was decided to have both a Manager and an Assistant Manager who should be chosen from a competition which would be started in the middle of Freshman year and be open to all Freshmen, whether or not they were in the literary competition. The former will serve from the middle of Junior Year to the middle of Senior Year, and the latter from the middle of Sophomore to the middle of Junior Year. In keeping with this system, Anibal, '11, was elected to to serve for the rest of his term, which would, in the former state of affairs, close this June, and Bagg, '12, was chosen Assistant Manager. A competition open to all Freshmen will be started next term.

At this meeting two Freshmen were elected from the present competition to reportorial positions on the staff, Porter and Lyon, '13. They have surpassed the other men of the competition both in quality and quanity of work done and it was on this basis that they were selected. The competition will continue until the end of the year, the men holding the same positions as at present and at that time two more men will be elected to the staff.
